## Documents and Attachments

List of documents (reports and recommendations) attached to this status report. Can be a URL.  
 Tribal GIS Workgroup page updated (August 2020): <http://cgia.org/cagiscouncil/workgroups/tribal/>  
 and  
 Tribal GIS Related map and data resources (August 2020): <http://cgia.org/cagiscouncil/wp-content/uploads/2020/08/Tribal-Workgroup-Forum-web-page-v1-8-3-2020.pdf>

## Notes

Any other items that the workgroup would like to note.  
 Wild Fires have impacted Tribal forest areas – State mapping have help to improve communication with Tribes (both federally and non-federally recognized), US - FEMA, US – BIA, US FS, Cal-OES, and Cal-Fire.
