

California GIS Council Workgroup Report

Workgroup: State Plane Coordinate System Workgroup page*: Workgroup Chair: Nathaniel Roth	Report Date: September 10, 2020
--	------------------------------------

*See the workgroup page for workgroup charter, members, contact information, and prior reports.

Requests for Council Action

No concrete action.

Status Update

The California Land Surveyor’s Association (CSLA) is holding to see if any groups propose an alternate to the NGS Default option (Population weighted Zones to minimize distortion).

Legislative/Policy Update

None
