Status Update

- BAA: Four submissions for California, awaiting selection
- Recently available 3DEP Datasets: Mountain Pass, Santa Cruz County
- Ongoing collection or processing prior to delivery: El Dorado, Carr, Hirz, Delta Fire LiDAR, Yosemite NP, Santa Clara, Southern Sierra, Fresno, Panoche-San Luis, Estrella, Santa Ana, San Joaquin Valley Floor.
- An new draft of a scoping plan for state LiDAR with some enhanced sections is undergoing internal review.

Legislative/Policy Update

As noted before, the Statewide LiDAR budget item did not survive the May Revise, there's no likelihood for significant state seed funds.
