Requests for Council Action

None

Status Update

- BAA 4 submissions for California, one has been confirmed, waiting on official word for the others
- Recently available 3DEP Datasets: Mountain Pass, Santa Cruz County
- Ongoing collection or processing prior to delivery: El Dorado, Carr, Hirz, Delta Fire LiDAR, Yosemite NP, Santa Clara, Southern Sierra, Fresno, Panoche-San Luis, Estrella, Santa Ana.
- A draft of a scoping plan for state LiDAR with some enhanced sections is undergoing internal review.
- There is substantial interest in formalizing a LiDAR steering group across multiple sectors. More word to come as it is available.
