Status Update

Provide and update on current workgroup status, including meetings.

- The Ed Workgroup met on the following dates: 1/14/21, 2/23/21, 3/23/21, 6/08/21
- Recurring meetings are planned for once every other month.
- Workgroup currently contains 12 participants
- 2 students have recently signed up to participate.

Legislative/Policy Update

Provide any updates on legislation or policies that are relevant to the workgroup

- None

Next Actions & Key dates

List next actions and key dates:

- Priority action item of the workgroup is to produce a survey to circulate to private, public and non-profit organizations in CA. The objective is to obtain guidance for professional and educational development in academic organizations in California to support the GIS profession and support efforts in using GIS.
- Draft survey has been completed and is now being finalized.
- Goal is to circulate beta version for initial feedback by end of August 2021
- General circulation by mid-September 2021

Action	Key Date
Next workgroup meeting	Aug 10, 2021
Disseminate survey	Sept 15, 2021
